

CURRICULUM VITAE

Name: Dr. Stathis Arapostathis

Work Address: Department of Philosophy and History of Science, National and Kapodistrian University of Athens, University Campus, Ilissia 15771, ATHENS, Greece

Work tel: 210 7275583/ **Mobile tel:** 6937118141

e-mail: arapost@phs.uoa.gr

Web-pages: www.arapostathis.com

1. Academic Posts

01/2020-present Associate Professor in the History of Science and Technology, Department of History and Philosophy of Science, National and Kapodistrian University of Athens

04/2015-01/2020 Assistant Professor in the History of Science and Technology, Department of History and Philosophy of Science, National and Kapodistrian University of Athens

01/2019-05/2019, Seeger Fellow, University of Princeton, Princeton

02/2016-05/2016, Fulbright Fellow, Law School, Centre for Science and Innovation Studies, University of California at Davis, USA

01/2012- 04/2015, Lecturer in the History of Science and Technology, Department of Philosophy and History of Science, National and Kapodistrian University of Athens

2/5/2011- 20/1/2012, Research Associate-Cardiff University, Welsh School of Architecture, Low Carbon Research Institute, EPRC Project: Transition Pathways in Low Carbon Economy

1/5/2011- 31/8/2011 ‘Scholar in residence’ in the Marconi Collection and the History of Science Museum, Douglas Byrne Fellowship, Oxford University. PI in the project Wireless at the Bar: Marconi’s Intellectual Property Management and Patent Disputes.

10/2010- 1/5/2011, Technology and Innovation Studies Researcher University of Edinburgh, School of Geosciences, UKEC Project, Sociotechnical Assessment of Carbon Capture and Storage (CCS) system.

9/2007- 9/2010, Research Fellow in University of Leeds, Philosophy Department-Centre for the History and Philosophy of Science. *AHRC funded Project: 'Owning and Disowning Invention: Intellectual Property and Authority in Science and Technology in Britain, 1880-1920'*

2. Education

2006 – PhD - University of Oxford- Faculty of Modern History D. Phil Thesis: 'Consulting Engineers in the British Electric Light and Power Industry, c 1880-1914' (awarded November 2006), Supervisor: Prof. Robert Fox

1996-1999- MA (Distinction) in History and Philosophy of Science and Technology- National University of Athens - Department of History and Philosophy of Science

1990-1996- BSc Physics, Aristotle University of Thessaloniki - Department of Physics

3. Teaching and Educational Experience

2012-to date National and Kapodistrian University of Athens, Department of Philosophy and History of Science, **Lecturer (1/2012-03/2015) and Assistant Professor (04/2015- to date)** in History of Science and Technology

Undergraduate Modules

1. Special Topics in the History of Technology (Spring 2012), with A. Tympas
2. History of Science and Technology Policy (Fall 2012, Fall 2013, Fall 2014, Fall 2015, Fall 2016).
3. History of Technology (Spring 2013, Spring 2014, Spring 2015, Spring 2017, Spring 2018).
4. Special Topics in the History of Technology (Spring 2013) with A. Tympas.
5. Special Topics in the History of Technology II (Spring 2013, Spring 2014)
6. Science, Technology and Society (Fall 2013, Fall 2014, Fall 2015, Fall 2016, Spring 2018)
7. Science and Technology Policy (Fall 2017, Fall 2018)
8. Law, Science and Technology (Fall 2018)

Postgraduate Modules

Postgraduate program in the History and Philosophy of Science and Technology:

1. History of Technology (Fall 2012, Fall 2013, Fall 2015) with A. Tympas.
2. Science, Technology and Society (Fall 2012, Fall 2014) with A. Tympas.
3. Science, Technology and Environment (Spring, 2013) with A. Tympas και S. Tzokas.
4. Law, Science and Technology (Spring 2014; Fall 2016; Fall 2017)
5. Science and Technology Policy (Fall 2014) as part of the European Studies in Science and Technology Postgraduate Programme
6. Science, Technology and Society (Fall 2014) as part of the European Studies in Science and Technology Postgraduate Programme
7. Governance, Technosciences and Democracy (Spring 2017; Spring 2018)
8. Environment, Technoscience, State (Fall 2018)
9. Science and Technology Policy (Fall 2019)
10. Environment, Technoscience and Governance (Spring 2020)

Postgraduate program in Science, Technology, Society

1. Science and Technology Policy (Fall 2018, 2019)
2. Law, Science and Technology (Fall 2018, 2019)

10/2014-to date, Adjunct Professor in History and Philosophy of Science, Hellenic Open University, School of Humanities and Social Sciences, Programme of European Civilization, Module: History of Natural and Social Sciences

10/2015- to date, Affiliated Assistant Professor in Environment and Society, Democretian University of Thrace, Department of Education Science, Postgraduate programme in Environment, Environmental Education and Society

01/2016- to date, Afilliated Assistant Professor in Toxicology and Society, University of Thessaly, Department of Biochemistry and Biotechnology, Postgraduate Programme in Toxicology, Module: Biotech and Society: Governing Social Interactions and Policy Challenges

PhD Thesis Supervisions

Kostas Vattes, Socio-technical energy transitions and the tourist industry: Steering to sustainable development in Greece (completed March 2019) (**supervisor**)

Serkan Karas, ‘Technological Infrastructures and Politics in Cyprus in the first half of the 20th century’ (completed June 2013) (**member of the advisory committee**)

Nikos Symvoulidis, Research Politics and the Commercialization of Research in Greece (1st year) (**supervisor**)

Sotirios Alexakis, Agriculture Research Politics and Technoscientific Networks in Greece 1900-1940 (2year) (**supervisor**)

Dimitra Barkouta, ‘The Environmental Impact Assessment and the Energy infrastructures in Greece: Making Law and Governing Sustainable Transitions’ (3rd year) (**supervisor**)

Yannis Fotopoulos, ‘Critical Technological Infrastructures in Modern History of Greece: Governance and Technopolitics’ (2nd year) (**supervisor**)

Eli Nakopoulou, Research Policy and Networks in Europe: The case of Renewable Energy Sources from 1970 to the present (3rd year) (**supervisor**)

Kyriaki Klokiti, ‘Intellectual Property, Plants and Farming in Greece’ (4th year (part-time)) (**co-supervisor**)

Alexandros Vakoulas, ‘Τεχνολογία, Επιστήμη και Διατροφή: Διακυβέρνηση, Ειδήμους και Βιομηχανία στην Ελλάδα απο το Δεύτερο Παγκόσμιο Πόλεμο έως σήμερα’ (1st year) (**supervisor**)

Stamatina Loukea, ‘Autonomous Road Transport Vehicles in Transition: Governing Transition Pathways and Inclusive Sociotechnical Change’ (1st year) (**supervisor**)

4. Publications**Book**

Stathis Arapostathis and Graeme Gooday, *Patently Contestable: Electrical Technologies and Inventor Identities on Trial in Britain* (MIT Press, 2013) (John Pickstone Book Award Winner, 2014, British History for the History of Science)

-Chinese Translation from Zhejiang University Press (forthcoming 2020)

Edited Volumes/Collections

Stathis Arapostathis and Peter Pearson (guest editors), Special Issue on How History Matters in the Governance of Sociotechnical Transitions, Environmental Innovations and Societal Transitions (September 2019)

Stathis Arapostathis and Aristotelis Tympas (guest editors), Special Issue in journal *History of Technology- History and Historiography of Technology in Greece from 19th to 21st century*, 33 (2017) <http://www.bloomsbury.com/us/history-of-technology-volume-33-9781474237147/>

Stathis Arapostathis (guest editor), Special Issue- 'Experts and Expertise in Technosciences: Historical and Sociological Approaches', *Neusis: Greek Journal for the History and Philosophy of Science*, 23 (2016) (in Greek)

Stathis Arapostathis, Faidra Papanelopoulou and Aristotle Tympas (eds), *Technology and Society in Greece: Cases from the History of Technology and STS* (Ekdotiki Athinon: Athens, 2015) (in Greek)

Stathis Arapostathis and Graham Dutfield (eds.), *Knowledge Management and Intellectual Property: Concepts, Actors and Practices from the Past to the Present* (Edward Elgar, 2013)

Articles in Peer reviewed journals

Educational Material-Handbook Entries (Selected)

‘Experts and Expertise: From History to Policy Concerns’ & ‘Innovation: Policies and Politics in History’, entries in the *Handbook of Science, Technology and Society* for Further Education Programme, National and Kapodistrian University of Athens (in Greek)

5. Books, Articles/Book Chapters in Preparation-Work in Progress (Selected)

Stathis Arapostathis, Kyriaki Klokiti and Graham Dutfield, ‘Agriculture Transitions, Plant Breeding Innovations and Proprietary Regime in Greece 1920-2015’ [submitted for review in *Intellectual Property Quarterly*]

Stathis Arapostathis and Yannis Fotopoulos, ‘Between Dependency and Autarky: Governing Energy Transitions in Greece, 1950 to the present’ [in preparation for a special issue in *Energy Policy*]

6. Awards-Fellowships-Grants (Selected)

2019-2022 National Funding Scheme Grant, Greek Foundation of Research and Innovation, **PI** in the project CON-EF: “Configuring Environment and Food in Greece 1950-2017”.

January-May 2019, Princeton University, Center for Modern Greek Studies, **Seeger Research Fellowship** (20,000 USD and free accommodation privilege), **PI** in the project “Expertising Greece: Environment, Technoscience and the Modern Greek State”.

January-May 2016 **Fulbright Visiting Scholar**, University of California at Davis, Center of Science and Innovation Studies, Law School

February 2015, **Workshop Organization Grant**, European Society for the Social Studies of Science and Technology, International Workshop ‘Does History Matter?: From History of Science and Technology to Science and Technology Policy’

2014, **John Pickstone Book Award Winner**, Stathis Arapostathis and Graeme Gooday, *Patently Contestable: Electrical Technologies and Inventor Identities on Trial in Britain* (MIT Press, 2013)

February 2014, **Foundation for the History of Technology**, The Netherlands, Conference Organization Grant, International workshop ‘Intellectual Property: From History to Policy and Entrepreneurial Concerns’, Athens, 11-12 February 2014

May 2013- to date **Honorary Research Fellow** (for 3 years), Low Carbon Research Institute, Cardiff University

February 2012-February 2013 **Visiting Research Fellow**, Low Carbon Research Institute, Cardiff University

2012-2015 **General Secretariat of Research and Technology, Ministry of Education, Greece, Programme for post-doctoral fellowships** Principal Investigator, Project: Techno-sciences on Trial: Courts, Experts and Culture in post-War Greece, 1950-2010

2011 **Douglas Byrne Marconi Fellowship**, University of Oxford

2010-2011 **Honorary Research Fellow**, University of Leeds

2007-2008 **SHOT International Scholars Fellowship**

1/10/2002-30/09/2005 **Arts and Humanities Research Board (AHRB) Postgraduate Award-**

7/2003, **St Cross College, Oxford University-Research grant for archival research**

7. Conference Papers (Selected) (in Peer-reviewed International Conferences)

Stathis Arapostathis, Serkan Karas, Yannis Fotopoulos, “Visions and Technopolitical Orders in Hydrocarbon Explorations in Eastern Mediterranean”, European Association for Environmental History, Tallin University, Tallin, 21-25 August 2019.

Stathis Arapostathis, Serkan Karas, Yannis Fotopoulos, “Visions, Surveillance and Techno-politics: In pursuance of oil and gas in Eastern Mediterranean, 1950-2017”, Tensions of Europe Conference, University of Luxemburg, Luxemburg, 27-30 June 2019

Stathis Arapostathis and Efi Nakopoulou, ‘Governing research and innovation politics in a challenging era: Evolution or Reconfiguration of the Greek research and innovation regime during the crisis?’, EUSPRI Annual Conference, 6-8 June 2018, Paris.

Efi Nakopoulou and Stathis Arapostathis, ‘Reconfiguring Technologies by Funding Transitions: Priorities, policies, and the renewable energy sources in EU-funding schemes’, Transitions in Energy History: State of the Art and New Perspectives Conference, 29th November – 1st December 2017, Milan, Italy.

Stathis Arapostathis and Yannis Fotopoulos, ‘Sociotechnical Imaginaries, Ideologies and the Technopolitical Construction of the Greek Junta, 1967-1974’, Transitions in Energy History: State of the Art and New Perspectives Conference, 29th November – 1st December 2017, Milan, Italy.

Stathis Arapostathis, Serkan Karas, Yannis Fotopoulos, ‘Development Patterns, Engineers and Large Technical Infrastructures in Greece in the 1980s: Engineering Discourses, Expert Identities and Technopolitics, Workshop: The 1980s in Greece, Athens, February 2017.

Stathis Arapostathis, ‘Tracking the Inventor: Articulation of Discursive, Textual and Material Entanglements’, Knowledge Management and History, Max-Planck Institute, Berlin, 9-11 November 2016.

Stathis Arapostathis, ‘Water Politics as National Politics in Modern Greece: The case of a River in Central Greece’, International Workshop: Water Management, Technology and the State, Manchester University, 26-28 October 2016.

Stathis Arapostathis and Anna Guagnini, ‘The dilemma of a professor: beat them or join them – or else? Silvanus P. Thompson and the business of electricity’, International Workshop- Silvanus P. Thompson: A many sided crystal; the Quaker physicist and electrical engineer, London, 16 September 2016.

Stathis Arapostathis, ‘Stabilizing and Destabilizing Toxic Regimes in Greece, 1940-2010’, 50th SPRU Anniversary, SPRU, University of Sussex, Brighton, 6-9 September 2016.

Stathis Arapostathis, ‘Industrial Property’, Law and the Culture of Invention in Greece, 1900-1940, Annual BSHS Conference, Swansea, UK, 2-4 July 2015.

Stathis Arapostathis, ‘Stabilizing and Destabilizing Toxic Regimes: Experts, Law and Agriculture Politics in Greece, 1950-2010, International Summer School, Spain, 15 May 2015.

Stathis Arapostathis and Kiriaki Klokiti, ‘Agriculture Transitions in Proprietary Regimes: Expertise and Techno-science in modern Greece’, Cultivating Innovation-International Workshop, Norwich UK, 15 April 2015.

Stathis Arapostathis, Yiannis Garyfallos, Aspasia Kandaraki, Aristotle Tympanas, ‘Tobacco for Atoms’: Rumors about and resistances to a nuclear reactor that was never built’, in the Workshop: History of Technology in Greece from the 19th to the 21st century, 28 March 2015.

Stathis Arapostathis and Serkan Karas, ‘Water management and expertise in energy and agriculture in Greece: The case of Acheloos River, 1940-2015’, in the Workshop: History of Technology in Greece from the 19th to the 21st century, 28 March 2015.
